Section:	<u>28</u>																																		
1/4 Section:	<u>Southwest</u>																																		
4. Describe Method of Marking and / or Lighting:																																			
_____ <u>top 1/3 painted in equal, alternating bands of orange and white</u> _____ _____																																			

Wind measurement towers in Nebraska exceeding a height of 50' outside the boundaries of any incorporated city or village are required to be registered with the Nebraska Department of Aeronautics.

A separate permit is also required from the Nebraska Department of Aeronautics before erecting / building any structure exceeding 150 feet above the surface of the ground at the point of installation, unless erected under the authority of a license or permit issued by a federal agency. See Nebraska Revised Statutes §3-401 et. Seq.
